

RAVENOL ATF SP-IV RR

Kategorie: Gear oil for automatic transmissions

Artikelnummer: 1211138

Oil type: Synthetic

Recommendation: Hyundai 00232-19052, Hyundai 04500-00117, Hyundai EQUUS, Hyundai GENESIS, Hyundai GENESIS Coupe, KIA MOHAVE, KIA QUORIS

Application: Passenger car

1L | 1211138-001

4L | 1211138-004

20L | 1211138-020

RAVENOL ATF SP-IV RR is a synthetic ATF (Automatic Transmission Fluid), designed on the basis of high quality hydrocrack oils with a special additive and inhibition with excellent thermal and oxidation stability and adhesion factor performance which ensure a perfect function of the automatic transmission.

RAVENOL ATF SP-IV RR demonstrates excellent flow properties at low temperatures.

RAVENOL ATF SP-IV RR is a new generation ATF (Automatic-Transmission-Fluid) for 8-speed automatic transmissions of Hyundai and KIA. Guarantees maximum wear protection in every operating status.

Application Note

RAVENOL ATF SP-IV RR was specially developed for 8-speed automatic transmissions of Hyundai and KIA.

Please follow manufacturer's recommendations.

Characteristics

- Very good lubricant properties, even in low winter temperatures
- High, stable viscosity index
- High thermal and oxidative stability
- Excellent protection against wear, corrosion and frothing
- Excellent friction coefficient consistency
- Excellent cooling properties

Technical Product Data

PROPERTY	UNIT	DATA	AUDIT
Density at 20 °C	kg/m ³	835,0	EN ISO 12185
Colour		rot	VISUELL
Pourpoint	°C	-51	DIN ISO 3016

All indicated data are approximate values and are subject to the commercial fluctuations.

RAVENOL special transmission fluids are special developments for special gears and cannot be selected on the basis of technical parameters (viscosity, etc.). Therefore the decision was made not to give technical data. Please note: RAVENOL special transmission fluid is exclusively to apply under the original number, as indicated in the product information. If you are unsure about the right transmission fluid, ask your workshop or dealership for advice on the transmission type and OEM original number or ask our experts, making sure to state the VIN code (vehicle identification number) of your vehicle. Misapplication of RAVENOL special transmission fluid can lead to malfunction of the transmission shifting problems, increased fuel consumption, unwanted slip behavior, etc. and cause the failure of the transmission. Ravensberger Schmierstoffvertrieb GmbH is not liable for transmission failures in case of wrong selection of RAVENOL special transmission fluid.
